BLOOD DONATION CAMP

A Small Drop of Blood Can Give Someone a New Life

ELIGIBILITY CRITERIA FOR DONORS

Please ensure that you meet the following criteria before participating in the donation campaign:

- Donor Identification: Blood donor must carry their valid Emirates ID/ GCC Id for GCC Nationals for the donation
- Age: 18 – 65 years.
- Body weight: 50 Kg and above. The minimum weight of donors between 18 to 21 years age must be 55 kg.
- Sleep: At least 6 hours night sleep
- Diet: Eat healthy food and plenty of liquids before donation. Avoid fatty foods at least 12 hours before donation.
- Travel: Persons who have returned from Malaria endemic countries are not eligible to donate for 30 days. (List of countries attached).
- Permanently ineligible if donor has,
 - o Major health problems
 - o Diseases which can be transmitted through blood transfusion
 - o History of Jaundice after the 11th birthday.
- Temporarily ineligible for 6 months if donor has,
 - o Received blood or blood products.
 - o Major surgery
 - o Dengue fever
- Additional eligibility criterion:
 - o Blood donor should be in good general health condition at the time of blood donation.
 - o Cannot donate for 7 days if there are symptoms of flu.
 - o It is not recommended for pregnant and lactating women to donate blood
 - o Medication and other criteria will be checked by the screening staff nurse to finally accept a donor for the donation
 - o As per the DHA guidelines, individuals who have recently traveled to malaria or dengue-endemic countries are not eligible to donate blood for the next 30 days. A list of the affected countries is provided for your reference.

Please note: The Donor History Questionnaire link will be provided by the DHA team at the time of blood donation through their tab/device during the registration process
