SPEAKER

Praveen Kumar
Business Development Manager
Tally Solutions FZCO

Praveen Kumar is a Business Development Manager at Tally Solutions FZCO with over 8 years of experience in business development, channel management, ERP implementation, and regulatory compliance across the UAE.

He has successfully led numerous Tally implementations and conducted hundreds of training sessions and workshops on TallyPrime, VAT, and compliance across the UAE and Bahrain, benefiting thousands of accountants, business owners, and finance professionals.

Praveen has played a key role in the go-to-market (GTM) strategy and execution for multiple TallyPrime releases in the UAE and has actively contributed to TallyPrime launch events in the Kingdom of Saudi Arabia (KSA).

In his current role, he drives partner growth, market expansion, and business development initiatives while helping organizations adopt digital solutions and stay compliant with UAE taxation and VAT regulations.

SPEAKER

Sangmesh Hiremath
Co-Founder & CEO
Marmin Technologies

Sangmesh Hiremath is the Co-Founder and CEO of Marmin Technologies, a RegTech and FinTech company enabling seamless e-invoicing and regulatory compliance across regions such as the UAE, KSA, Malaysia, India, and Singapore.

With over 20 years of experience across manufacturing, supply chain, and utilities, Sangmesh has led multiple large-scale digital transformation programs focusing on procure-to-pay automation, e-invoicing, and regulatory technology innovation. He has worked extensively B2B integration platforms, driving adoption and automation for global enterprises.

He combines deep domain knowledge in taxation, cybersecurity, and cloud technologies with a strong passion for building solutions that simplify regulatory complexity.

Sangmesh holds a Mechanical Engineering degree, an MBA from IIM Bangalore, and a Postgraduate Diploma in AI/ML from the University of Texas at Austin.

UAE E-INVOICING LIVE DEMONSTRATION & NETWORKING BREAKFAST

SPEAKER

Akash Chaudhary
Vice President – Global Tax Technology,
Cygnet.One

Akash Chaudhary is a global Subject Matter Expert in e-Invoicing and VAT digitization, leading the Global Tax Technology portfolio at Cygnet.One. With over a decade of experience in digital transformation and regulatory technology, he has delivered impactful tax automation programs across KSA, UAE, and Europe, enabling both governments and large enterprises to modernize their compliance landscapes.

Beyond compliance, Akash is recognized for architecting solutions that convert regulatory mandates into business advantages — driving process efficiency, data transparency, and sustainable ROI. His approach integrates compliance, analytics, and automation to create tax ecosystems that power business agility and growth.

An avid speaker and engaging storyteller, Akash brings clarity to complex tax-technology discussions, connecting with audiences across CFO, tax, and IT communities. His sessions often highlight how digital tax transformation can evolve from a cost center to a strategic enabler of enterprise value.

SPEAKER

Sumit Arora

Head of E-Invoicing Partner Portfolio
Suntech Business Solutions

Sumit Arora is a Chartered Accountant and the Head of E-invoicing Partnerships at Suntech Business Solutions, with over 7 years of experience in Indirect Taxation and Tax Technology. Before joining Suntech, he worked with leading Big Four firms, Deloitte and EY, where he advised organizations on tax transformation and technology-driven compliance.

He has successfully delivered e-Invoicing implementation projects across India, Thailand, and Malaysia, helping businesses navigate complex regulatory requirements while driving digital transformation through tax technology.

At Suntech Business Solutions, Sumit has played a key role in shaping the company's Go-to-Market (GTM) strategy for e-Invoicing solutions, building strategic partnerships and enabling organizations to prepare for the next generation of digital tax compliance.

His blend of Big Four consulting experience and hands-on implementation expertise provides a practical perspective on e-Invoicing, Tax Technology, and Digital Compliance, making him a recognized voice on emerging global tax technology trends.
