DINNER KNOWLEDGE SESSION

SPEAKER

Samir Popat

Partner & Director - Taxation
Nadeem & Umendra Chartered Accountants

Samir Popat is a Chartered Accountant and Partner & Director - Taxation at Nadeem and Umendra Chartered Accountants, bringing over 14 years of professional experience in the UAE across taxation, financial advisory, and regulatory matters.

He leads the firm's tax practice, providing strategic direction and advising a diverse portfolio of multinational corporations, regional business groups, and privately held enterprises on complex taxation and regulatory matters.

His areas of expertise encompass UAE Corporate Tax, Value Added Tax (VAT), international taxation, transfer pricing, tax structuring, and cross-border tax considerations. He works closely with business owners, boards, and senior management to align tax strategies with commercial objectives while navigating an increasingly sophisticated regulatory environment.

Since becoming a Partner in 2017, Samir has been instrumental in strengthening the firm's market presence, expanding its advisory capabilities, and building long-standing client relationships across multiple industries. Beyond his advisory responsibilities, Samir is an active contributor to the professional community and a regular speaker at technical conferences, industry forums, and knowledge-sharing initiatives organised by professional and business associations, including the ICAI Dubai Chapter and Taxation Society UAE.

He is recognised for combining technical insight with commercial acumen, delivering pragmatic solutions to complex tax challenges and helping organisations make informed strategic decisions in an evolving business and regulatory landscape.

DINNER KNOWLEDGE SESSION

SPEAKER

Dr. Praveen Chaturvedi

Manging Director
Chaturvedi Software House LLC

Dr. Praveen Chaturvedi is the Managing Director of Chaturvedi Software House LLC (CSH), a Dubai-based software firm. He is also a Partner and Director at Nadeem and Umendra Chartered Accountants.

Together, he has 17+ years of experience in business, technology, audit and tax.

He came to Dubai in 2009 from Mathura, India.

A Software Engineer from India , Certified Financial Consultant from Canada , PhD in Financial Management and he has completed Management programs at IIM Indore.

CSH inhouse brand Fincore is software suite including ERP, eSign , CRM , HRMS , along with it csh builds custom mobile and web apps , a Tally Gold Certified Partner.

It and serves 4,000+ SME clients across the UAE and Bahrain.

The NUF side covers audit, VAT, corporate tax and advisory.

Fincore E-Invoicing

UAE e-invoicing is now a business reality. CSH is an Accredited Service Provider (ASP) approved by the UAE Ministry of Finance.

Fincore E-Invoicing is CSH's Peppol-ready platform. It helps SMEs issue compliant e-invoices straight from their ERP or accounting system, so no one retypes invoices or sends PDFs on WhatsApp.

What the team supports:

Readiness checks and gap analysis for your current setup

Integration with all major ERPs

Handling of the mandatory e-invoice fields, including TIN vs TRN

Ongoing compliance support from both software and tax experts.

DINNER KNOWLEDGE SESSION

SPEAKER

Nithin Kumar Gurijala

Director
Fyient Line Technology LLC

Nithin Kumar Gurijala, FCA, CPFA, CFE, PFM, Dip IFRS, is an international corporate trainer, financial and taxation consultant, and technology entrepreneur with professional experience across multiple countries. His areas of expertise include IFRS, Public Financial Management (PFM), IPSAS, UAE Corporate Tax, VAT, Free Zone taxation, and E-Invoicing.

With international professional exposure, he has worked across diverse business environments and delivered training programs to multinational audiences, including finance professionals, corporate executives, government officials, accountants, auditors, and industry specialists from different countries.

Beyond training and consultancy, he has played a key role in conceptualizing and developing technology platforms, including UAE E-Invoicing solutions, cloud-based accounting and bookkeeping systems, Learning Management Systems (LMS), and business process automation solutions.

As Director of Fyient Line Technology LLC, he leads strategic initiatives in financial technology, digital tax compliance, ERP integration, regulatory transformation, and technology-enabled business solutions.

UAE E-Invoicing Training Leadership
Through Edify Learnings, he has delivered more than 50 comprehensive UAE E-Invoicing training programmes, each structured as a 10-hour course, for corporate audiences. These programmes focus on regulatory requirements, Peppol and PINT-AE, practical implementation, and organizational readiness for digital invoicing.

Core Areas of Expertise
- IFRS & Financial Reporting
- Public Financial Management (PFM)
- UAE Corporate Tax & VAT
- E-Invoicing & Digital Transformation
- Technology Innovation
- International Corporate Training

Professional Vision
To connect global financial expertise, regulatory knowledge, professional education, and emerging technologies—empowering organizations and professionals worldwide through innovation, practical learning, and digital transformation.

FYIENT LINE TECHNOLOGY LLC
Connecting Global Expertise with Financial Technology and Digital Innovation.
